

# Beach Bound

Die Set

## FOOTWEAR TO MAKE YOU FLIP

- 1 To create a pair of flip flops, select three colors of cardstock.
- 2 Choose one of the colors to be the striped top layer and die cut that piece using the stripes die.
- 3 Adhere the die-cut striped piece to the second color of uncut cardstock.
- 4 Die-cut through both layers using the Flip Flop base dies.
- 5 You now have flip flops with perfectly aligned edge-to-edge stripes!
- 6 Last but not least, die cut the third piece using the straps die and adhere it to complete your toe-tally awesome flip flops!

You've put your beach bag together, and honestly, it's amazing. But ask yourself: what if you could add just a little more **charm** to it?

Well, we're happy to say we've thought of that! With the small dies included in this set, you can make charms that will turn your bag into the most charming bag you've ever seen!
