GIFT CARD MUG

1

Die cut the snowman base twice.

2

Arrange the snowman accessories on one of the base pieces.

3

Die cut the handle and adhere it to the inside of the back piece.

4

Adhere the two base pieces together using 1/8" foam sticky strips.

5

Now its decision time; do you want to top your mug with a top hat or a dollop of whipped cream.

6A

To attach the hat flip the hat and gift card over and place a piece of tape or glue leaving a little space at the bottom of the hat to allow it overlap the mug when closed.

6B

To attach the whipped cream adhere your giftcard to the front of the tab.

7

Slide the card into the mug, and your gift is ready to serve piping hot!

Don't want to attach your mug topper to the giftcard directly?

Simply cut a piece of cardstock to 2" x 4" and use **Gift Card Notch-Tall** die to create a notch perfectly sized to hold your gift card.
